Sub Users - Creating	<u>8 - 9</u>
Sub Users – Editing	<u>10</u>
Upload Logo for Client Quotes	<u>11</u>
Favourites	<u>12</u>

#### Account information

To access your Account Information, click on **Account Info** at the top left of the screen.

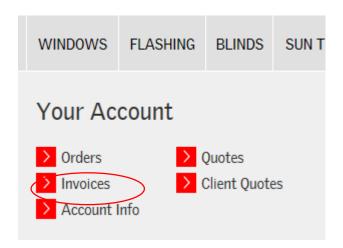

#### Account information

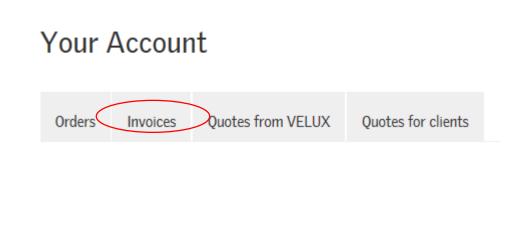

Search and view your Orders, Invoices, Quotes from VELUX and Quotes for Clients View your favourites Your Account Invoices Ouotes from VELUX Ouotes for clients Account Info Favourites Upload Logo Your Information: View the Name: Logo is used in Quotes for clients details we **VELUX**® Phone: Company Name: have on file E-mail: Customer number for you Change password Change Branch Address Upload your company logo for Client Quotes Search for address: I want to place orders for another branch Click here to change your password Request Super Dealer access to place orders for other branches

## Search/View Invoices

If you need to search for an invoice, click on **Invoices** in the Your Account section which can be found either on the **Home Page** or in the **Account Info** screen.

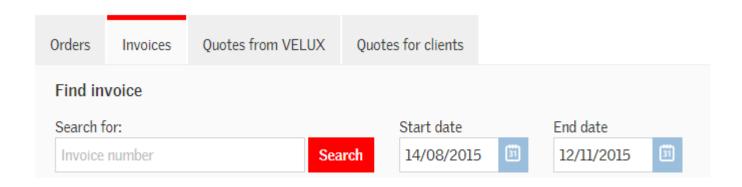

#### Search/View Invoices

You can search by invoice no. or select a date range to view.

Once you locate the invoice you want, click on the Invoice Number to view it.

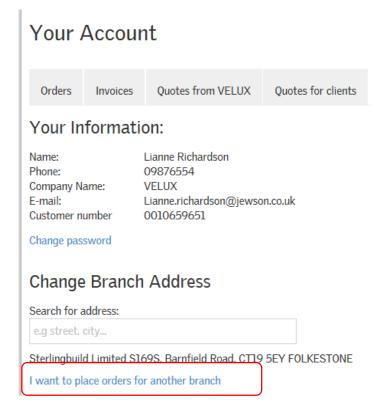

Your access to view invoices will depend on your account set-up. For example, if you invoice through a buying group such as NMBS you will not be able to view your invoices here.

# SuperDealers

SuperDealers have access to place orders, prepare quotes, track deliveries and/or view invoices for a number of branches. To request Super Dealer access go into Account Info and click on **I want to place orders for another branch** and complete the details of the

account you need access to.

Please note: Super Dealers cannot set up Sub Users. Please contact VELUX if you need to add Sub Users on your account.

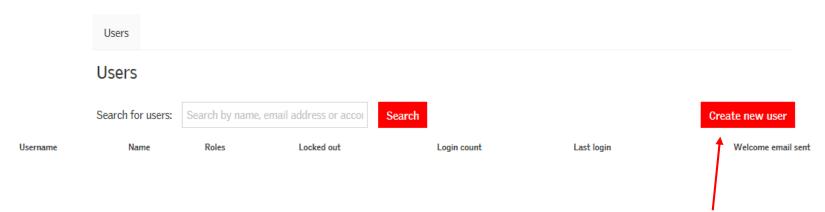

# Sub Users - Creating

If other members of staff also need to use DE3, then anyone with a Dealer account can set up Sub Users.

Sub Users can have as much or as little access as you like. For example you may want the goods-in staff to be able to view and track orders but not be able to place any orders. Whereas, someone from the accounts department could have access to view invoices. You should create your own sub user(s), VELUX do not have access to do this for you.

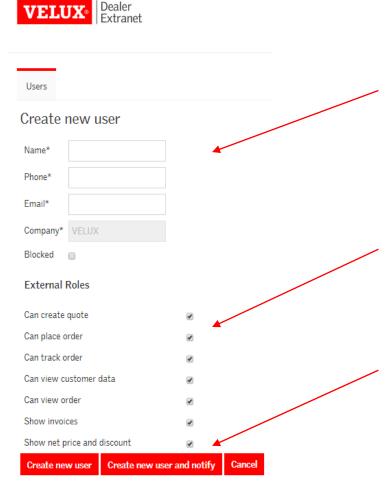

When you log into your account, click on the Administration button at the top of the page

Here you will see a list of any existing Sub users on the account. Click **Create new user** 

## Sub Users - Creating

Please fill in all the details for the user.

If you would like to remove any of the roles from a user, just click on the box to remove the tick

Once you are happy, click on **Create new user and notify**. They will then receive an email from us to log on and create a password.

Please note the email address that you enter will be the username. Each User/Sub User on will need their own email address.

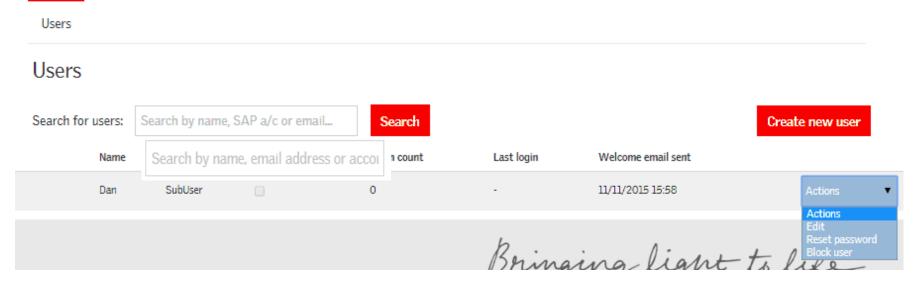

## Sub Users - Editing

If you need to edit a Sub Users account, click on Administration at the top of the screen.

You will see a list of your Sub Users. If you cannot locate the person you need to edit you can use the search bar to search by name or email.

Click on the Actions box on the right to Edit, Reset their password or Block the Sub User.

Please note: SuperDealers cannot set up or edit Sub Users. If you are a SuperDealer you will not see the Administration button at the top of your screen. Please contact VELUX if you need to add Sub Users on your account.

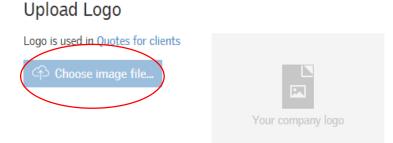

# Upload Logo for Client Quotes

It is now possible to create quotations for you clients and personalize them to show your company logo and contact details, as well as the clients discount and any shipping charges which may apply.

To add a logo to your quotes for clients, click into the Account Info section at the top left of the screen

Click on Choose image file...

Select the file containing your company logo on your computer and click Open. Your logo should now appear in the box on the screen.

#### **Favourites**

To make placing orders quicker and easier, you have the option to mark products as favourites. If, for example, you keep a range of products in stock you can add these items to favourites by clicking on the star beside each product. The next time you need to order these, a list of your favourites can be accessed from the Your Account Screen:

Simply enter the quantity you require and click Add to basket.
